

VIDEOS FROM DON KINELL -- SECTORSURFER USERS GROUP MEETING JANUARY, 2015

[3 Videos] Are you looking for new SectorSurfer Strategies with high scores and high safety ratings using a variety of master strategies, strategies of strategies, and also portfolios of strategies? If so, this set of videos are for you. Don Kinell, a SectorSurfer user since 2013, attended the SectorSurfer Users Group meeting on January 15, 2015 here in Silicon Valley and presented some of his favorite SectorSurfer Strategies for our consideration. Here are some details that are discussed by Don that will be of interest to SectorSurfer users:

1. Typical motivations and goals that drive users,
2. Snap shot of his Premium Strategy Selections,
3. Useful information selected by Don from the strategy chart,
4. Creating 10 premium strategies with details,
5. SectorSurfer charts for each of the 10 premium strategies,
6. Drawdown and other stats for each of the 10 premium strategies,
7. Year by year results for his 10 premium strategies, and
8. His final conclusions based on this analysis.
9. In addition, Don shared 2 BONUS sandbox studies for our review and use.

On behalf of the SectorSurfer users, we thank Don Kinell for this most informative and interesting presentation. We look forward to inviting Don back for a follow-up presentation to hear about the results achieved in 2015.
